MR. SLAVOLJUB PIPER **GENERAL SECRETARY OF THE KARATE FEDERATION OF BALKAN**

Dear guests,

Dear athletes, Friends of karate,

It's my great pleasure to welcome all participants of the 28th Balkan Karate Championships for Seniors and 9th Balkan Karate Championships for Veterans.

Bosnia and Herzegovina and Banja Luka are the traditional host of major sporting events such as this competition. Reassemble the whole Balkans in one place, it is a great honor and responsibility for the Karate Federation of the Balkan.

By organizing this tournament, we wanted to show everyone how karate is positive, mass and popular sport. We hope that all participants and guests will see and feel the energy, knowledge and hospitality of the organizers of this competition and therefore will constantly return to compete.

This event is more than the competition itself. It will be a combination of friendship, art and karate. I am convinced that Bosnia and Herzegovina and Banja Luka are ready to justify the trust.

I wish that this event, for all participants and for the world karate sport, be seen as wordless dialogue in the spirit of sport philosophy. Karate speaks all languages and connects all people and generations, regardless of race, sex, religion and political status.

Let the best win!

ABOUT BANJA LUKA

Based on the political and territorial organization of the Republic of Srpska, which consists of municipalities and cities, the biggest political and territorial unit is the City of Banja Luka (former municipality), which occupies the surface of 1 239 km².

As the university, economic, finance, political and administrative center of the Republic of Srpska, which is one of the two entities in Bosnia and Herzegovina, Banja Luka is the second biggest city in Bosnia and Herzegovina with the population of 180.053 (result of the 2013 census of population and housing units).

Situated in a valley at an elevation of 164m above sea level, where the Dinaric Alps from the south descend into the Pannonian Basin in the north, Banja Luka has a temperate continental climate with the prevailing influences from the Pannonian plain. It belongs to the Central European time zone (GMT+1) and has a temperate continental climate. The average annual temperature reaches 10,7 C, whereas the average January temperature is 0,8 C, and July 21, 3 C.

Due to many of its green surfaces- parks and tree-lined roads, Banja Luka is also known as the city of greenery. It is also called a city of young people, sport and culture. It used to be a strong economic center with developed industry-the machinery-, electrical-, textile-, food-and cellulose industry in particular. The past war calamities that struck the city in the 1992-1995 period and the post-war society transition resulted in the collapse of a majority of the industrial capacities and markets.

The post-war Banja Luka started to open up more extensively to market economy countries, directing its development prospects towards the progress of trade, tourism, agriculture and food industry.

The city's holiday, Day of Banja Luka, is celebrated on April 22, which is the date when Banja Luka was liberated from fascism in WWII.
